Setup and Hours of operation:

Vendors may arrive any time after 12pm (Noon) on Monday July 7th, 2025. There will be adequate room for you to set up and do business. You have the option of being open Monday, July 7th – Tuesday, July 8th, for our pre-event. However, you must be open and ready to do business by Noon on Wednesday, July 9th. Vendors requiring 220 vac, please contact us IMMEDIATELY to determine final arrangements. **All Vendors Must be off the premises by Sunday at NOON.**

While the individual vendors have the ultimate say as far as hours of operation, it is our recommendation that you plan on remaining open at least one hour after the bands are over (approximately 11 pm). You should reap the benefits of the crowd leaving the stage area and gathering on “vendors Row”.

By signing this display application, I agree to display the above-mentioned line of products within the times designated. I will not reproduce the 52nd National Truck-In logo without prior written consent. I release Twin City Vans from any liability for damages or injuries that may occur.
